

How to Register for the Virtual Instructional Program

Parents of current students should use their Parent Portal account to Infinite Campus. Once the parent logs in to portal:

- on the left side of the page is a "More" link. Press this link to go to the registration.
- On this page there is a choice to either go to an existing student or begin a new registration. Parents should choose the "Existing student registration" for this round of VIP.
- Select language.
- Complete registration application.
- Submit.

Once the application is submitted; it shows in the OLR staff processing link under Census in Infinite Campus for the registrar or registration clerk.

If a parent does not have a portal account, you can direct them to the NCSS webpage, then press the link for "Parents" on the upper right-hand corner. Once there, parent scrolls down on the left side to "Parent Portal" link. Parent can log in from there or there are instructions on signing up for a parent portal account.
