

# Stakeholder Feedback for Elementary Math Textbook Adoption

## NCSS Requests Parents & Teacher Input on Elementary Mathematics Textbook Adoption Materials

The NCSS Elementary Curriculum & Instruction department is reviewing mathematics instructional materials for an upcoming elementary mathematics textbook adoption and would like our stakeholders' input. Stakeholders may visit the links below to review materials from publishers currently under consideration including Imagine Learning, Eureka Math Squared, and Savvas Learning enVision. Stakeholders may also review materials from these publishers at the Newton County School System Board Office during regular business hours.

After reviewing the mathematics instructional materials, the NCSS Elementary Curriculum & Instruction department asks parents, guardians, and teachers to complete a survey at the designated link below.

Contact Ms. Jennifer Tukes, Elementary Math Curriculum & Instruction Specialist, at [tukes.jennifer@newton.k12.ga.us](mailto:tukes.jennifer@newton.k12.ga.us) if you have any questions or concerns regarding adopting the new elementary textbook.

Please note the survey opens on Tuesday, February 27, 2024, at 8:00 AM and closes at 11:59 PM on Monday, March 25, 2024.

Parents, teachers, and other stakeholders and teachers may access the survey by using the links or QR below:
